# Mission

It is our mission to provide premier counseling services to persons of all income levels and all levels of spiritual belief and to support community leaders through education, consultation

and specialty programs.

Every person deserves quality counseling, regardless of their financial resources. As a result, our fee for services is income-based determined by our sliding fee scale to assure counseling is affordable.

**Together Everyone has  
Access to the Mission!**

**t** **Together** Beacon Behavioral Healthcare works with community leaders, pastors, corporations, schools and other organizations as partners to reach out and offer support for those in need.

**e** **Everyone** in need should have an opportunity for care. People who have had no place to turn now have a place to go for affordable, quality counseling.

**a** **Access** to quality counseling is available as our partners join with us to provide many convenient locations throughout the metropolitan area.

**m** The **Mission** is accomplished through partnerships in the community that allow all of us to expand our reach toward those in need.

# Partnership

Beacon Behavioral Healthcare depends on the generous support of individuals and community groups, just like you so that we can continue to offer a sliding fee scale. Fifty percent of our clients are at or below the poverty level.

In dedication toward the mission, our counselors offer their time at rates well below market value. Beacon's business model requires low overhead costs, therefore, allowing contributions to directly benefit the client.

**Here are some ways you can help:**

- Become a location provider
- Contribute to scholarships for services
- Participate in the employee assistance program
- Make a direct contribution
- Offer in-kind services
- Organize volunteer groups
- Pledge monthly support
- Purchase counseling vouchers

Beacon Behavioral Healthcare is a not for profit, Christian counseling agency that

provides counseling services to persons of all income levels and all spiritual beliefs. We support community leaders through education, consultation and specialty programs.

Our licensed counselors have the education and training needed to offer customized and comprehensive treatment for individuals, children, adolescents, couples, and families. Our therapists are skilled and compassionate men and women with years of experience in helping people find healing and growth as they negotiate the challenges encountered in life. We serve clients with dignity and respect regardless of age, race, gender, or socioeconomic status.
